Dear Ebihara san,

Holiday cheers from Crimson Resort & Spa Mactan!

As we gear up for a very exciting year and strive to become the best resort in the island, we are pleased to inform you that we will have a new concept restaurant at the resort, in partnership with a well-renowned Chef, who has worked with Spain's only dining place to hold the title of "World's Best Restaurant Awards" for five times, as listed by the S. Pellegrino World's Best Restaurant

This restaurant is set to open on April 2017, on the same location where Tempo Restaurant stands today. Having said so, Tempo Restaurant, will be closed and will undergo renovation to give way for this new concept. This project will commence on 6th January and continue until 31st March 2017. During this period, breakfast and early afternoon cocktails for villa guests, shall be relocated.

Rest assured, it will be business as usual for all other hotel operations, as utmost efforts shall be made so as not affect the overall guest experience in the resort.

We look forward to sharing with you more details on this new restaurant soon. Should you have further questions please get in touch with your Sales Manager.

Merry Christmas and more power!

Best Regards,

TOMOTAKA SUZUKI
Japanese Sales Manager
