Wedang Jahe, Breakfast Restaurant – Renovation 1 July – 15 December, 2017

Dears business partner,

Thank you for your continuous support to Nusa Dua Beach Hotel & Spa.

In our ongoing effort to upgrade our product and facilities, we will be renovating our breakfast restaurant, Wedang Jahe. The restaurant will be closed from 1 July – 15 December 2017. It will be closed off to all guests with a decorated hoarding. There will be no excessive noise during the renovation.

During this period (1st July – 15 December, 2017), the breakfast buffet will be offered at the Beach Bar with seating at Raja's, Maguro or Tamarind Restaurants overlooking the pool and Indian Ocean.

Thank you for your understanding and we look forward to unveiling a brand new Wedang Jahe Restaurant on or before 15th December 2017.

Kind regards,

The Management
