

Greetings from The Apurva Kempinski Bali.

With this letter, we would like to notify you that our resort has been selected as the venue for G20 two-day summit. This summit requires forward planning from our government authorities - as such, please be informed that there will be a facilities upgrade as part of the preparations. This will affect some of the facilities at the resort, with details as follows:

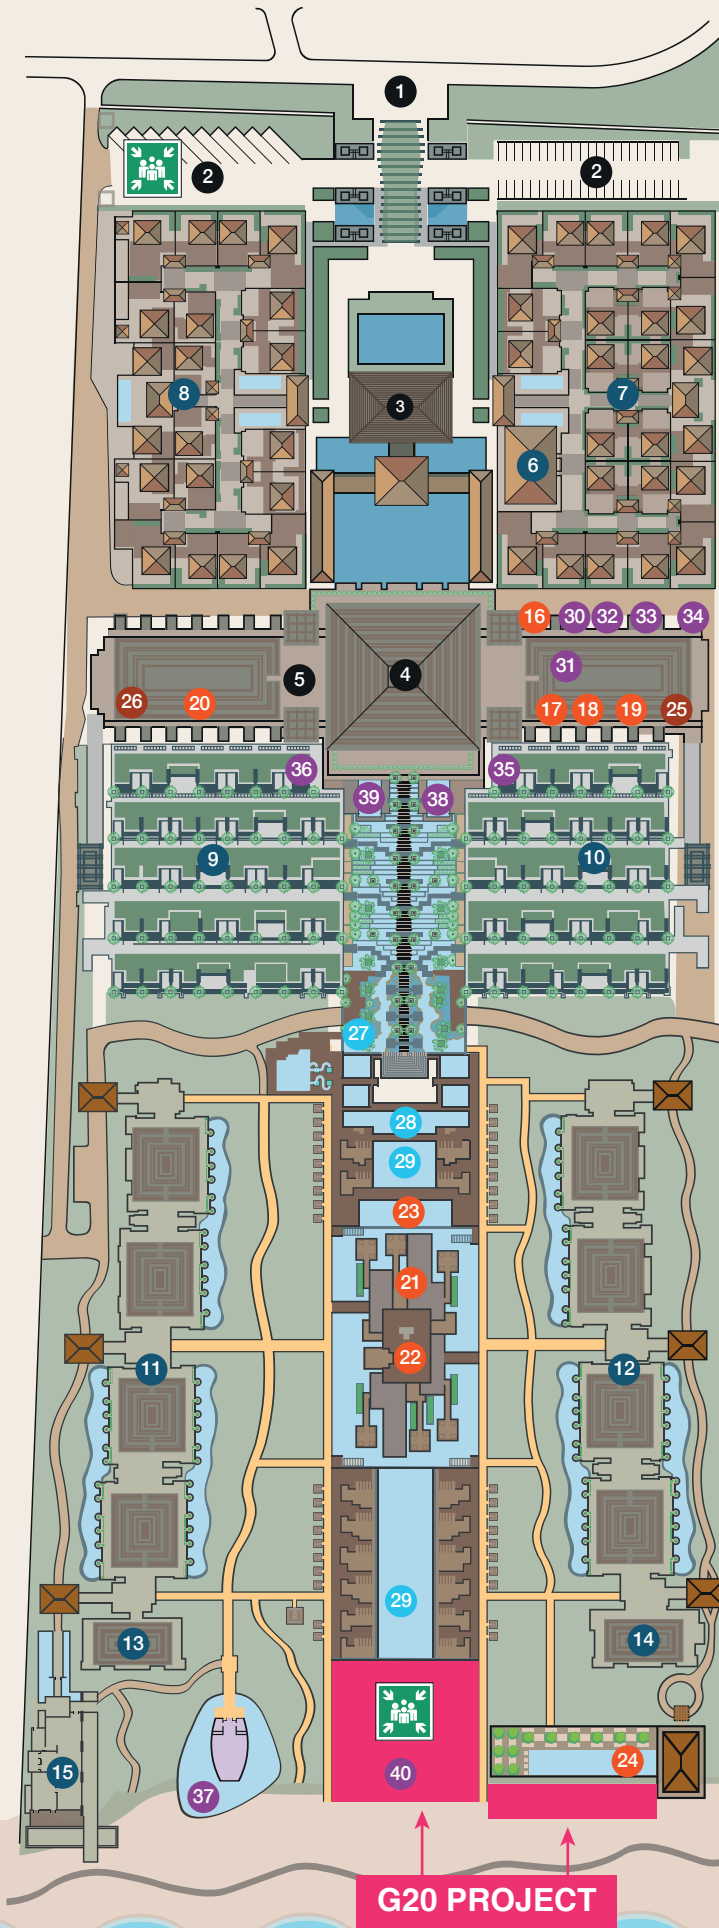

NO	LOCATION	START DATE	END DATE
1	Ocean front lawn	16 October 2022	20 November 2022
2	Beach area closure of Reef Beach Club	23 October 2022	20 November 2022
3	Pendopo lobby	01 November 2022	20 November 2022
4	The Apurva Spa – Foyer	09 November 2022	20 November 2022

You can find the resort map highlighting the impacted areas as attached. Please rest assured that during the process, we will do our best to minimise any disturbances. Meanwhile, the rest of our facilities will remain available for guests to enjoy.
