

Dear Our Exceptional Partners,

Greetings from Kayumanis Private Villa and Spa!

We are happy to announce that Kayumanis Nusa Dua and Kayumanis Ubud are excited to extend the market to include families with children under the age of twelve. The children's policy is implemented in order to meet consumer demand for individuals who bring their children on vacation to Kayumanis Nusa Dua and Kayumanis Ubud.

We hope that the policy change serves as a catalyst for attracting all types of customers to stay at our lovely property.

We look forward to welcoming your valued guests to Kayumanis Nusa Dua and Kayumanis Ubud in the not too distance future.

On behalf of **KAYUMANIS GROUP**
