

Dear Partners,

Thank you for your continuous support toward Grand Hyatt Bali.

We are pleased to announce the reopening of our Salsa Verde Restaurant, our poolside dining venue overlooking the beautiful view of the ocean, commencing this 24th of July, 2023.

Salsa Verde Restaurant offers breakfast, lunch and dinner experience in its air-conditioned dining space or at the outdoor terrace. The best selections of Italian cuisines are freshly made in the restaurant's open kitchen and the wood-fired pizza ovens, specially curated by our own Italian Chef Davide and his talented culinary team.

Salsa Verde is ready to our guests starting from 7 AM to 9.30 PM daily and advanced reservations are required prior to guest's dining time
