

ANNOUNCEMENT

Dear valued Travel Partners,

Six Senses Uluwatu, Bali is excited to announce that as part of our commitment to providing the most memorable guest experience, sections of the Resort Villas are being meticulously modernized. The upgrades are carried out in stages to minimize disruption as much as possible.

Rocka Restaurant is also undergoing an enhancement process to elevate the dining experience further. During the upgrade period, which extends until mid-October 2023, all of Rocka's culinary offerings are graciously hosted by Watu Steakhouse.

The resort team is happy to assist with any queries or requirements, and we look forward to welcoming our guests to an even more Out-Of-The-Ordinary Six Senses experience.

Jeffrey F. Seward

General Manager, Six Senses Uluwatu
