

**HOTEL ROOM MAINTENANCE**

Dear Valued Partner,

On behalf of entire team, we are grateful for your support to SADARA Resort.

As part of our continued commitment to enhance our property and service, we have decided to proceed our maintenance plan for **upgrades in room facilities and interior for our Suite and Royal Suite room**. We believe this maintenance will provide an even better level of product and services for our guests.

Please find maintenance schedule and details outline as per below:

<b>MAINTENANCE DETAILS</b>	<b>TIME/ DATE/ PLACE</b>
<b>Period of Maintenance</b>	<b>1 November – 5 December 2023</b>
<b>Work Hours</b>	<b>09.00 a.m. – 17.00 p.m.</b>
<b>Massive Maintenance (Noises)</b>	<b>1-7 November 2023</b>

We will certainly do our best to keep the disturbances to the very minimum level. Several partitions will also be placed in the maintenance area to make it look neat and reduce guest discomfort when in the public area.

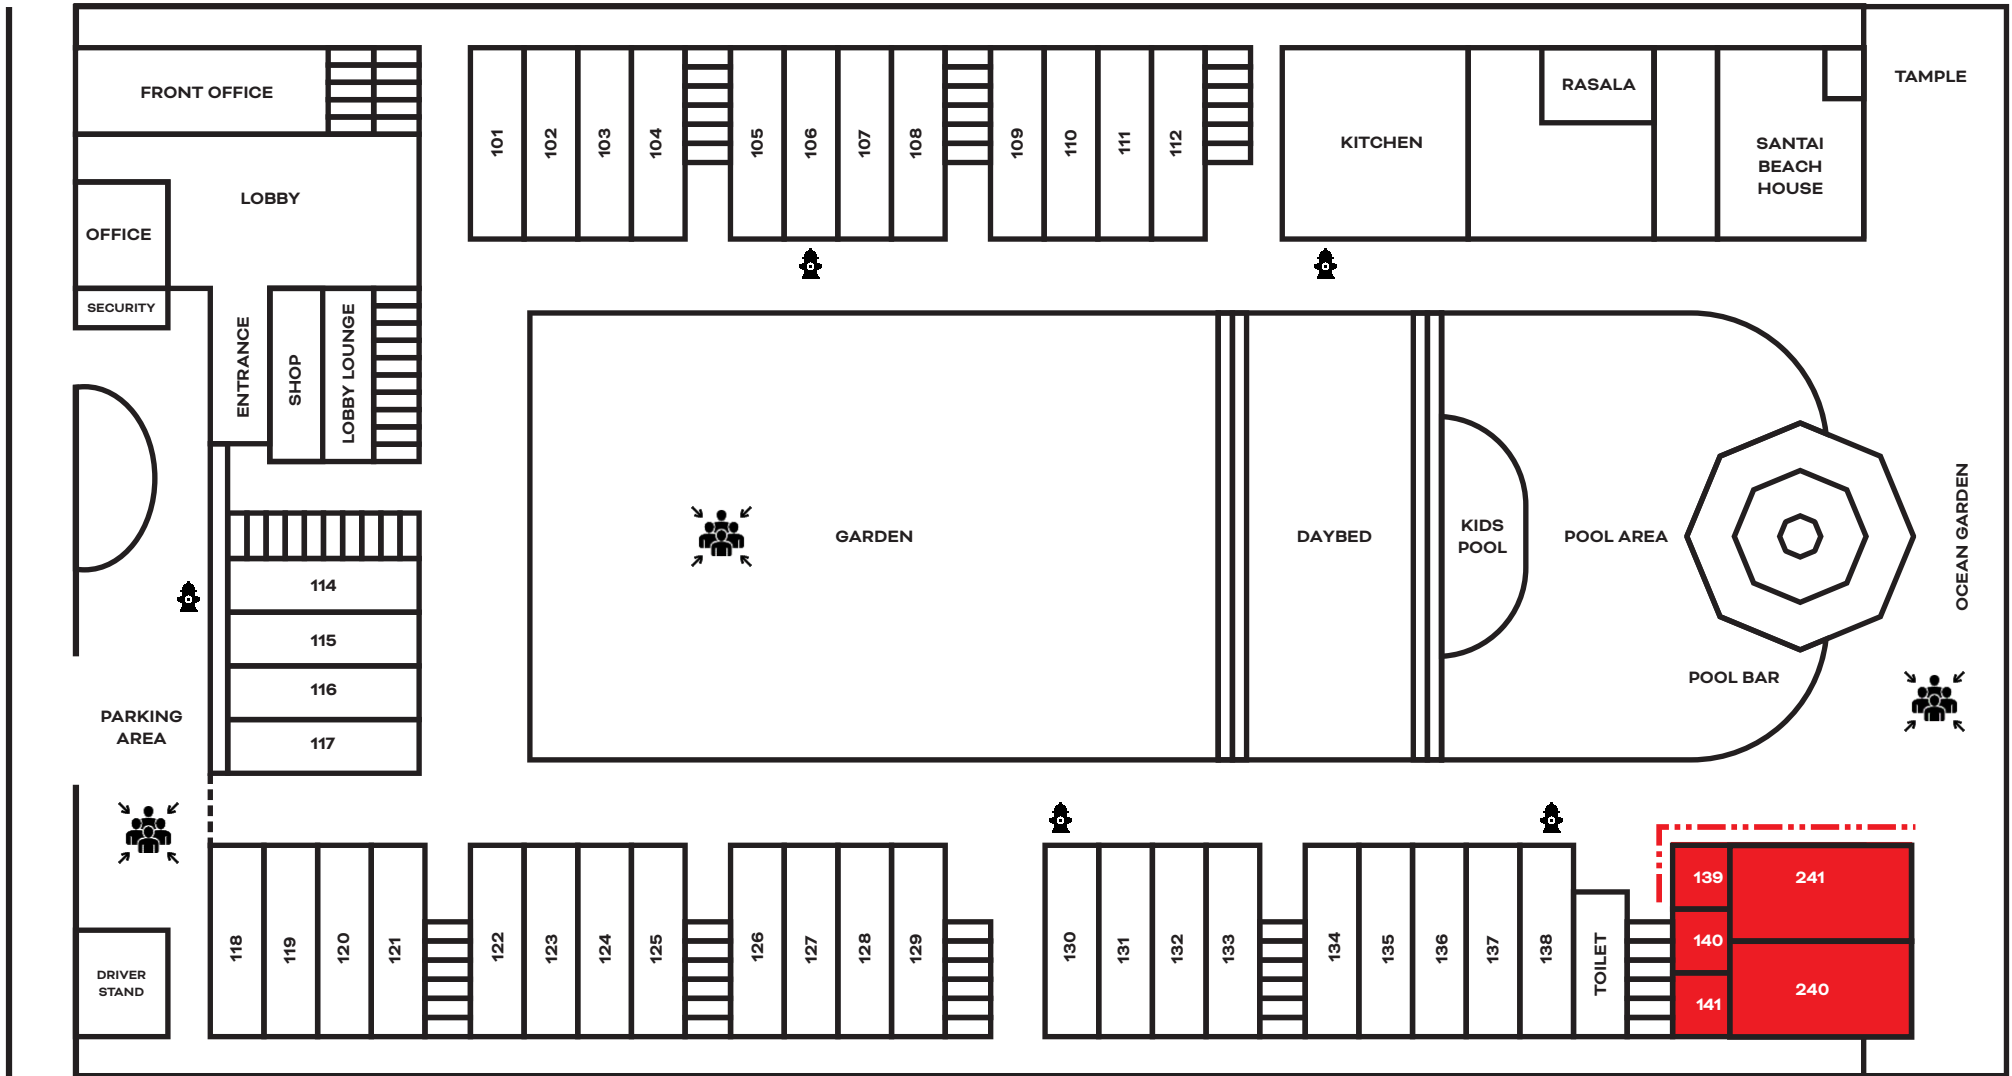

We do apologize for the inconvenience caused to your guest who will probably stay or pass predetermined maintenance schedule, and your kind understanding is very much appreciated.
