**Subject: Hard Rock Hotel Bali Renovation Notice**

At Hard Rock Hotel Bali, we aim to deliver authentic guest experiences that rock!

We have been enhancing our facilities and outlets over the last few years to continue to provide our guests with unique and new experiences each and every stay.

Hard Rock Hotel Bali is pleased to announce that we will be closing Starz Diner, our All-Day Dining Restaurant, for full renovation from early January 2025 till June 18, 2025.

We are really excited about the upgrade and look forward to introducing 'Sessions' to you and your guests, our new modern All-Day Dining restaurant concept. Sessions will provide a world of warm hospitality with laid-back vibes featuring multiple music zones representing different music eras, where delightful flavors from around the globe unite.

During the closure of Starz Diner, hotel guests will be provided alternative buffet breakfast dining venues including Hall of Fame (Ballroom) and Splash Bistro located poolside. Our other onsite hotel restaurants will remain available for lunch and dinner, including Hard Rock Café, Jamie Oliver Kitchen, and Splash Bistro.

The resort's layout ensures that there will be no significant noise disturbances for hotel guests, as this outlet is located away from the guest rooms.
