

Dear Valuable Partner,

Thank you for your continuous support towards Grand Hyatt Bali.

As part of our commitment to enhance guest experiences, we are delighted to inform you that Garden Café will be undergoing a property transformation starting from November 17th, 2024.

Work occurs daily between 9 am and 6 pm. We have taken extensive measures to minimize noise disturbances, however we extend our deepest apologies for any inconveniences this may cause.

As Garden Café undergoes its transformation, a diverse selection of restaurants and bars within our resort remains available for your clients. From the moment sun rises over the pristine beaches of Nusa Dua, guests are invited to indulge in limitless dining possibilities.
