

Dear Valued Partner,

Mabuhay from Solea Hotels & Resort!

We would like to share that beginning **September 1, 2025**, our Inflatable Waterpark will be temporarily closed **until further notice** as we work on some exciting upgrades and rehabilitation works. This way, we can welcome you back soon with an even better and more enjoyable experience!

But don't worry, the fun doesn't stop here! The Waterpark area and its waters will remain open for activities such as **kayaking** and other **water adventures**, so you and your loved ones can still make the most of your visit.

While we understand this may cause some inconvenience, we truly appreciate your kind understanding and support as we improve our facilities for your future visits.

Best regards,

Rysthtel Ann Coyoca  
Duty Manager
