

Dear Homma san,

Warm greetings from *The Legian Seminyak*, one of Indonesia's most beautiful hotels, affectionately known as the Grande Dame of Bali and proudly among only 33 hotels in Indonesia and 2,457 worldwide, honored with the coveted *Michelin One Key*.

We are beaming with excitement to learn that your guests will soon be staying with us at *The Legian Seminyak* and letting you in on a little insider news - the *Grande Dame* is having a stylish refresh, undergoing a metamorphosis from 7 November to 10 December 2025 to enhance her timeless beauty while preserving her familiar charm.

During this period, a few areas including *Reception*, *The Lobby Lounge*, and *The Restaurant* will be temporarily inaccessible as part of our rejuvenation process. However, rest assured, the guest experience will remain a feast of comfort, warmth, and a good dose of Balinese sunshine.

A little update on how we are keeping the good vibes going:

- Breakfast can be savored in the comfort and privacy of each suite, or at ***The Club Lounge*** at our sister resort, ***The Club by The Legian Seminyak***, just a sunshine stroll away. If you know, you know - this hidden gem is a true treasure trove, and a buggy is always ready to whisk guests there, even though it's only a sunbeam amble from *The Legian Seminyak*.
- Lunch may be enjoyed at *The Club Lounge*, *The Pool Bar*, *The Ocean Bar*, or in-suite. One look at the menu, and even the most seasoned palate may do a little happy twirl.
- Dinner options include *The Club Lounge*, *The Ocean Bar*, or the comfort of the suite. The dinner menu is irresistibly tempting, we would not be surprised if guests find themselves booking a table twice.

The Pool Bar (11 am–7 pm) and *The Ocean Bar* (11 am–11 pm) will remain open for guests to unwind, toast the sunset, and soak in Seminyak's easy charm. Access to these venues will be available through Besakih, fondly known as the "*Stairs to Heaven*," located between blocks 1 and 2 or blocks 3 and 4. Ever wonder why we call it that? We can not wait to share its beautiful stories with you next time you are here, otherwise, this letter would need two extra pages.

While the metamorphosis is underway, your guests might see or hear a hint of activity including occasional sounds, at times a little more audible, as part of this "beautifying" process, think of it as a touch of cosmetic artistry that will soon unveil a refreshed yet timeless look, radiating the Indonesian Jaya Ibrahim design and soulful Balinese sense of place. Yet, the rhythmic sound of the ocean and the timeless view of the waves remain as therapeutic as ever, gently washing away any trace of project clamor. And when the day ends with one of those postcard-perfect Seminyak sunsets, the kind that stops you mid-conversation, we can promise a moment of pure, jaw-dropping beauty.

And since we would love your guests to squeeze every drop of joy out of their stay, we are rolling out complimentary limousine rides (pick up and drop off service) to explore the lively neighborhoods of Seminyak and Petitenget, brimming with chic cafés, artful boutiques, and restaurants.

Just a gentle warning: chances are, your guests will discover handmade Balinese treasures too lovely to resist, a little extra weight in the suitcase, but plenty of joy to bring home. We sincerely thank you for your continued partnership, and look forward to welcoming your guests. Even though *The Grande Dame* of Bali is still in her glow-up phase, but your guests may soon come back to you singing praises of a holiday well worth it... and someday soon, you will just have to experience the magic for yourself - yes, this is an invite.

Warm regards from your favorite hotel,
