

# SACRED MOON & SELONDING

## *A Ceremony of Sound and Spirit Healing*

Join us for a holy night of sound, spirit, healing, and blessing. The sacred Selonding gamelan, one of Bali's oldest and most revered instruments, will resonate to honor this auspicious time through prayer, music, and gratitude.

### *Why the Moon and the Sun?*

In Balinese belief, the **full moon (Purnama)** is a time for reflection, cleansing, and thanksgiving. It represents the blessing of divine light for humanity.

At the same time, **Sunday, or Redite** (from Raditya, meaning the sun), is regarded as the first day of the week, symbolizing the beginning of life's journey. Raditya shares the same meaning as Surya, Baskara, Byomantara — the sun, the eternal source of life.

Thus, the **moon reflects the radiance of the sun**, reminding us of the universal balance between cosmic forces. Together, they embody harmony, continuity, and the sacred energy that sustains life.

### *The Experience:*

- Sacred ceremony with prayers and blessings
- Traditional Selonding ensemble performance by Sekehe Gong Selonding Stuti Swara, a traditional family group dedicated to preserving Bali's spiritual heritage
- Ancient Balinese compositions such as Pemendak, Rejang Renteng, Pendet Abuang, and more

*The event embodies the essence of Tri Hita Karana, harmony between humanity (pawongan), nature (palemahan), and the Divine (parahyangan). A rare cultural and spiritual evening where sound becomes a path to healing and connection.*

Event Time: 17.30 – 19.30

Important: Please arrive at least 10 minutes before the event begins.
