To Whom it May Concern:
Lobby Area Renovation Announcement

Dear Valued Business Partners,

Greetings from Sanur Resort Watujimbar

We would like to inform you that our hotel will be undergoing a renovation of the lobby area as part of our ongoing efforts to enhance our facilities and improve guest comfort. The renovation will include repairs to the lobby ceiling, the drop-off area, and updates to the reception area. The work will be carried out in stages, beginning with light tasks that will not disrupt daily operations.

If necessary, lobby services will be temporarily relocated to the Lobby Lounge to ensure uninterrupted service for our guests. The renovation will be focused solely on the lobby area and will not affect guest comfort in the rooms or other facilities such as the restaurant and swimming pool.

The renovation is planned to take approximately six months, with major work scheduled to begin on 9 January 2026. Most of the work will be conducted off-site at our contractor's workshop to minimize disruption within the hotel. On-site activities, such as replacing the reception area flooring, will be carried out according to the predetermined schedule.

This announcement is being issued starting 9 December 2025 as part of our commitment to transparency with all business partners.

Pengumuman Rencana Renovasi Area Lobi

Kepada Yth. Mitra Bisnis,

Salam hangat dari Sanur Resort Watujimbar.

Kami informasikan bahwa hotel akan melaksanakan renovasi area lobi sebagai bagian dari upaya peningkatan kualitas fasilitas dan kenyamanan tamu. Renovasi mencakup perbaikan langit-langit lobi, area drop-off, serta pembaruan area resepsionis. Pekerjaan akan dilakukan secara bertahap dan diawali dengan pekerjaan ringan yang tidak mengganggu operasional.

Apabila diperlukan, layanan lobi akan dialihkan sementara ke Lobby Lounge guna memastikan kelancaran pelayanan. Proses renovasi hanya berfokus pada area lobi sehingga tidak berdampak pada kenyamanan tamu di kamar maupun fasilitas lainnya, seperti restoran dan kolam renang, karena seluruh aktivitas pekerjaan terfokus pada area lobi.

Renovasi direncanakan berlangsung selama enam bulan, dengan pekerjaan utama dimulai pada 9 Januari 2026. Sebagian besar pengerjaan dilakukan di bengkel mitra kami untuk meminimalkan gangguan di area hotel. Pekerjaan on-site seperti penggantian lantai di area resepsionis akan dilaksanakan sesuai jadwal yang telah ditetapkan.

Pengumuman ini mulai disampaikan pada 9 Desember 2025 sebagai bentuk transparansi kepada seluruh mitra bisnis.
